Dear Ms. Hoadly:

Per our conversation this morning, here is my written request for the draft environmental impact statement on the proposed Louisiana Enrichment Services Plant, NUREG-1484. My address:

Blan Holman
2319 Park St.
Columbia, SC 29201

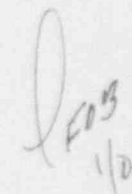

Thank you very much for channelling this to the appropriate distribution people. I had a remarkably difficult time getting in touch with them myself!

With best wishes for the holidays,

Blan Holman
