Chief, Enrichment Branch
Division of Fuel Cycle Safety
and Safeguards
Office of Nuclear Regulatory
Commission
Washington DC 20555

Dear Chief:

We are writing as members of
Global Response to express our concern
that the Draft Environmental Impact Statement
produced by the Nuclear Regulatory Commission
on the proposed Louisiana Energy Services failed
to consider the plant's social and economic impact
of the communities of Forest Grove and Center Springs.
We feel that the Draft Environmental Impact
Statement must consider all the social and
economic impacts on the two communities.

Sincerely yours,
Carl and Arthur Wilson
