Gentlemen:

Subject: Notice of Expired License

This refers to the telephone discussion between Mr. D. B. Spitzberg of this office and Mr. Dawl McLemore of your organization on November 10, 1981.

From our discussion with your representative we learned that sealed source model ARC-2630 (Americium-241) has been transferred to another licensee and that it is your intention to have NRC terminate License 35-14133-01. In order to complete this process you need to return a completed Form NRC-314 (enclosed) to the address appearing at the bottom of the form accompanied by a cover letter requesting termination of this license.

We request that you give prompt attention to these matters. Should you have any questions concerning them, we will be pleased to discuss them with you.

Sincerely,

"Original Signed by:
