DOCKET 50-155 - LICENSE DPR-6 -  
BIG ROCK POINT PLANT - EMERGENCY PLAN  
AND IMPLEMENTING PROCEDURES

Title 10 CFR 50.54(q) and 10 CFR 50 Appendix E-V require that copies of changes to the site emergency plan and implementing procedures be submitted to the NRC within thirty days after the change is made. Three (3) copies are to be sent to the Administrator of the appropriate region and ten (10) copies are to be sent to the Director of Nuclear Reactor Regulation (NRR). Enclosed with this letter are the ten copies each of the Big Rock Point Site Emergency Plan and Implementing Procedures. Subsequent revisions/changes to these documents will be sent directly from the Big Rock Point Plant Document Control Center. The personal telephone numbers and home addresses of Consumers Power Company employees have been deleted from the implementing procedures in accordance with your letter of December 4, 1981. However, controlled copies of the plan and implementing procedures containing all necessary telephone numbers are currently provided to the USNRC, Region III - Incident Response Center (3 copies) and to the Division of Emergency Preparedness, Office of Inspection and Enforcement (1 copy).
