Gentlemen:

Licensee Event Report No. 91-011, Revision 2 is attached. This supplemental report provides a discussion of additional design features and required functions of Containment Electrical Penetration Assembly Seals, which were not included in Revisions 0 and 1 of this Licensee Event Report. This supplement also identifies additional applicable reporting criteria that were decided upon during a review of the issues.

Sincerely,

S. M. Quennoz
General Manager
Trojan Nuclear Plant
