Dear Mr. Williams:

No. 0777, Revision No. 0.

Please note the conditions in the approval.

This approval will remain in effect until the expiration date indicated in Block
No. 3 is reached. Termination of your materials license does not cause this
approval to be automatically terminated. If you wish to renew, amend, or
terminate this approval, please request it in writing.

We have also registered you as a user of Certificate of Compliance Nos. 9156 and
9157 under the general license provisions of 10 CFR § 71.12.

The "Radioactive Material Transfer History" and "Quality Assurance Program
