RE: NRC Export License Number XU08586 (Amendment Number 02)

Dear Betty:

This notification is in addition to our letter of December 15, 1993 requesting an address change. We ask at this time the following amendment be made to the above mentioned export license: under the ultimate consignee in foreign country.

From - for use in Light-Water Power Reactors located within the EURATOM COMMUNITY only.

TO - for use in Light-Water Power Reactors and Gas-Cooled Power Reactors located within the EURATOM COMMUNITY only.

This completes any additional alterations to the above mentioned export license. All remaining information remains the same as contained in amendment 01 to the original license.

If we can be of any assistance, please feel free to contact our office at your earliest convenience.

Sincerely,

Percy Puntriano
