Gentlemen:

Thank you for your letter dated November 27, 1981, informing us of the steps you have taken to correct the noncompliance which we brought to your attention in our letter dated October 29, 1981.

During a phone conversation on December 1, 1981, between Patricia Vacherlon of this office and Mr. Ronald A. Rocchio, we understand the Isotope Committee will be responsible for auditing the records of the daily constancy checks and daily G-M surveys to assure they are performed as required. We will examine these matters during a future inspection.

Your cooperation with us is appreciated.

Sincerely,

D. J. Sreniawski, Chief
Materials Radiation Protection
