REVIEW OF WESTINGHOUSE AS A FUEL SUPPLIER

Dear Mr. Eisenhut:

Carolina Power & Light Company is reviewing a proposal by Westinghouse to supply BWR fuel for Brunswick Unit 1. We understand a tentative review schedule was established in a meeting between the NRC and Westinghouse on June 19, 1981. We would appreciate your proceeding with this review in the interest of maintaining the potential for licensing acceptance for Westinghouse BWR fuel supply.

Yours very truly,
