Philadelphia, Pennsylvania 19147

Gentlemen:

Subject: Inspection 30-08449/82-01

This refers to your letter dated July 1, 1982, in response to our letter dated June 8, 1982.

Thank you for informing us of the corrective and preventive actions you documented in response to our correspondence. However, your letter has been reviewed and additional information is found to be needed.

In reference to your response to item C.1., please be advised that your Medical Isotopes Committee should include a member of the hospital administration. In addition, your response was signed by the Chairman of the Radiology Department and does not indicate that the corrective actions have been reviewed by and are supported by hospital administration.

In your response, you failed to indicate the corrective steps which will be taken to avoid future items of noncompliance. Your letter addresses the specific cases, but fails to describe the method you will use to assure that license conditions, and NRC regulations are understood and will be followed by your staff in the future.

Please submit to this office within seven (7) days of receipt of this letter a written statement containing the requested information.

Sincerely,
Original Signed By:
John D. Kinneman
