Subject: Docket No. 030-12315
"Reply To A Notice Of Violation"
Attn: Mr. Walter J. Pasciak

Gentlemen:

In response to your letter dated December 16, 1993, RELIANCE TESTING COMPANY submits the following:

Violation A, 10 CFR 172.403 (1). All transport boxes had radioactive yellow 11 applied to transport boxes. Old yellow labels wore off and have been replaced.

Date of Compliance: November 17, 1993

Violation A, 49 CFR 177.842 (d) (2). New transport boxes were attached to truck with eye bolts so they cannot change position during conditions normally incident to transportation.

Date of Compliance: November 17, 1993

Yellow label II and boxes will be checked each time a source is taken out and put into transport boxes.

Items identified on the safety inspection held on November 16, 1993, have been corrected.

Sincerely,
RELIANCE TESTING COMPANY

Joseph Mangione
