In The Matter of  
CAMEO DIAGNOSTIC CENTRE, INC.  
SPRINGFIELD, MASSACHUSETTS  
Docket No. 030-29567-CivP

Dear Administrative Judges:

By telephone call, on January 10, 1994, counsel for the NRC staff (Staff) had an opportunity to discuss procedural matters in the above-captioned proceeding with Mr. Paul Rosenbaum, the Licensee's president. Mr. Rosenbaum stated his preference to have a pre-hearing conference in Springfield, Massachusetts, and the Staff has no objection to such an arrangement. In addition, Staff counsel and Mr. Rosenbaum are discussing a proposed schedule to be submitted for Board approval. This letter was read by Mr. Rosenbaum prior to dispatch to the Board.

Sincerely,

*Catherine L. Marco*
