SUBJECT: Indian Point Units No. 1 and 2
Physical Security Plan - Revision 14

Pursuant to the provisions of 10 CFR 50.54(p)(2), enclosed are controlled copies of Revision No. 14 to the Indian Point Units No. 1 and 2 Physical Security Plan.

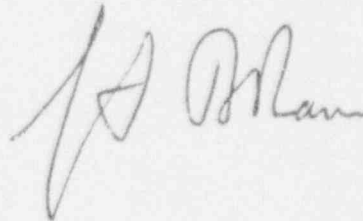

We have determined that the changes do not decrease the safeguards effectiveness of the Physical Security Plan for Indian Point Units 1 and 2.

In accordance with 10 CFR Sections 2.790 (d) and 73.21, correspondence and reports to and from the NRC which relate to the physical protection of a licensed power reactor are exempt from disclosure. We understand, therefore, that the enclosure to this letter will not be placed in the Public Document Room and will receive limited distribution.

Upon receipt of the controlled copy, please return the previous revision (13) or a letter of acknowledgment for its destruction.

Should you or your staff have any questions regarding this matter, please contact Mr. Charles W. Jackson, Manager, Nuclear Safety and Licensing.

Very truly yours,
