Mr. Walter P. Haass, Chief
Quality Assurance Branch
Division of Engineering
Nuclear Regulatory Commission
Washington, D.C. 20555

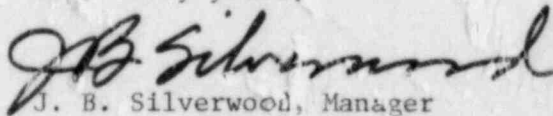

Dear Mr. Haass:

Topical Report UEC-TR-001-6

We are transmitting, for your review and approval, proposed Revision 6 to our Topical Report UEC-TR-001. Changes introduced in Revision 6 are the result of organizational changes in the Reliability and Quality Assurance Department and position and organization title changes. Also the controls for duplicate record storage facilities are incorporated as you requested in your letter of April 26, 1982.

Specific changes are highlighted by a line in the right hand margin. Should you have any questions regarding these changes, please let me know.

Very truly yours,

J. B. Silverwood, Manager

Reliability & Quality Assurance

JBS/BCL/Et
