Dr. Lynn Mitchell just called. (She had tried to call Linda, who is out sick.) Dr. Mitchell has learned that on 11/30/92 Dr. Fox hospitalized the two tree farm workers he had examined. He might release them today. They exhibited "vague symptoms," including rash on trunk, lesions in mouth, escalating headaches, and respiratory difficulties.

Other tree farm workers apparently are OK, but [REDACTED] has yet to be seen again by Dr. Yancey.

According to the SFC nurse, who called Dr. Mitchell Monday, all SFC employees and former employees appear to be asymptomatic.

A Muskogee reporter, Donna Hales, has been trying to contact Dr. Mitchell. I said to have the reporter contact Joe Billiland in his absence, re.
