Re: Freedom of Information Act Request

FREEDOM OF INFORMATION  
ACT REQUEST

*FOIA-93-66*  
*Rec'd 2-3-93*

Greetings:

Pursuant to the Federal Freedom of Information Act and implementing regulations of the NRC, I request the following non-exempt documents in the NRC's custody:

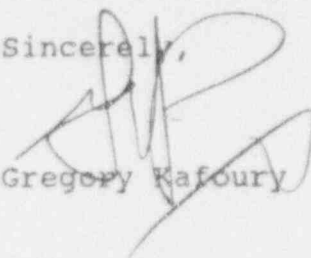

1. Documents listing all occasions prior to November 23, 1992, at which the safety concerns raised by Drs. Hopenfeld and Muscara were disclosed to persons outside the NRC.
2. Documents containing names, official status, and/or addresses and phone numbers for all persons to whom such disclosure was made.
3. Please provide any and all written documentation of any such disclosures. If, e.g., letters discussing the dissenting opinions were released to persons outside the NRC, please provide copies of those letters.
4. If the information described above was conveyed in phone calls, please provide the details of who spoke to whom and when, and provide copies of all notes within the NRC's possession evidencing such contacts.

I further request that you make a detailed statement of the reasons for withholding any of the requested information and provide a synopsis of portions of the responses not released. This will avoid the appearance of arbitrary conduct and provide a basis for reasonable review, if necessary, of nondisclosure and expungement.
