Subject: PROJECT CHARIOT ISSUE -Reply

Greg/

I talked with Ernie Ray today and learned that he is not actively involved with the events surrounding the Project Chariot Site. All such activities are handled out of the Directors Office by a Mr. Eugene Roseboom.

Please refer to the attached conversation record for telephone number. Note that I did mention to Mr. Ray that these materials could still be covered under the 05-01399-08 license, he did not respond.
