 SUBJECT: PROJECT CHAIROT WASTE DISPOSAL LOCATION IN ALASKA

NRC QUESTIONS/COMMENTS:

1. Last telephone conversation we had on September 11, 1992, we discussed briefly the Project Chairot site. I asked you at that time if you had knowledge of these activities and you answer was that this was before your tenure with USGS.
2. As you may be aware there has been considerable interest in the Alaskan waste location. Even to the degree of having the Governor of Alaska and several senators and representatives involved, not to mention NRC and DOE.
