Docket No. 50-341

Detroit Edison Company
Fermi Power Plant
ATTN: Dennis P. Ockerman
Training Department
6400 North Dixie Highway
Newport, MI 48166

Dear Mr. Ockerman:

This letter is to provide you with individual examination results for your applicants who took the December 1993 initial license examination. In accordance with 10 CFR 2.790, this information is considered "proprietary." The enclosed information supplements and is in addition to the examination report which will be issued shortly.

The following information is enclosed with this letter:

- Enclosure 1: Completed ES-501-2, Power Plant Licensing Examination Results Summary, which summarizes the examination results. Ten reactor operator and seven senior reactor operator license candidates took the examination. Nine RO and seven SRO license candidates passed all portions of the examination. One RO license candidate failed the walkthrough portion of the operating examination.
- Enclosure 2: A copy of each individual's license for the 16 individuals who passed the examination. Also included is a copy of the letter to the individual who failed the RO examination.
- Enclosure 3: Operator License Examination Report, ES-303-1, and ES-303-2, if applicable. These reports provide individual examination results for each applicant.
- Enclosure 4: ES-401-1, written examination and answer sheets for each applicant.

Enclosures 3 and 4 provide information identified by the examiners for each individual applicant. Through your Systems Approach to Training (SAT) Program, we expect you will review the results and provide appropriate remedial training for individuals independent of their overall pass status. Each applicant has authorized the release of this information to your facility by signing Block 19A of NRC Form 398.
