GENERAL ATOMICS' RESPONSE TO
NACE'S MOTION FOR LEAVE TO FILE REPLY AFFIDAVIT

With the clear burden of demonstrating the factual and legal basis of its standing to intervene in this matter, Native Americans for a Clean Environment (NACE) now proposes to submit yet another affidavit in support of its motion. Having failed already to meet its burden, NACE should not now be permitted to file additional documentation in "reply."

For the reasons set forth in the January 21, 1994 Response of the Licensee, Sequoyah Fuels Corporation, General Atomics opposes the January 19, 1994 NACE Motion for Leave to File Reply Affidavit.

Respectfully submitted,

Stephen M. Duncan
Bradfute W. Davenport, Jr.
