SUBJECT: Construction permit/operating license proceeding  
for Claiborne Enrichment Center, Dkt. No. 70-3070-ML

Dear Administrative Judges:

On behalf of Citizens Against Nuclear Trash ("CANT"), I am enclosing for filing copies of CITIZENS AGAINST NUCLEAR TRASH'S FIRST SUPPLEMENT TO CONTENTIONS ON THE CONSTRUCTION PERMIT/ OPERATING LICENSE APPLICATION FOR THE CLAIBORNE ENRICHMENT CENTER. Copies have also been served on the parties to this proceeding.

In addition, please note the change to my mailing address as listed above. While my law firm is still at 2001 "S" Street N.W. in Washington, D.C., I now spend most of my time in an office at the Institute for Energy and Environmental Studies in Takoma Park, Maryland. Accordingly, please send all future correspondence to me at the Takoma Park address and use the telephone numbers above. In an emergency, if you are unable to reach me at the Takoma Park address, please call my firm at (202) 328-3500.

Thank you for your consideration.

Sincerely,

  
Diane Curran
