Dear Mr. Palladino:

Enclosed please find the two petitions being filed today by the Government Accountability Project on behalf of the Miami Valley Power Project of Cincinnati, Ohio in reference to the William H. Zimmer Nuclear Power Plant.

Since these petitions are being put into the mail today, they are not likely to arrive at your office until after the Monday August 23, 1982 press conferences. Therefore, as a courtesy, we are having one hand-delivered to your office on Monday morning.

Also, I am including a copy of all of the attachments for the Commissioners.

Sincerely,
