SUBJECT: DISPOSITION OF ERROR NOTICES RECEIVED FROM
BOEING COMPUTER SERVICES

Ref: NRC letter, Docket No. 99900505 dated December 16, 1993, same subject

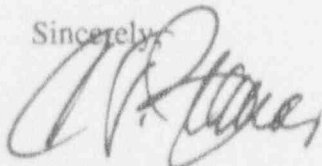

Dear Mr. Norrholm:

Ebasco requests 45 days additional time to complete our response to the referenced letter.

This additional time is necessary to canvas all engineering organizations at our various regional locations who may have been users of the BCS software to provide input to a summary report, which can then be forwarded to NRC.

Thank you for your assistance and if I can be of further assistance, please call me at (404) 662-2027.

Sincerely,

C. T. Brandt
