Dear Mr. Johnson:

Following instructions given me by your Mr. Duloff I am attaching four copies of your form AEC-2 which we have filled out to request a renewal of the referenced Source Material License.

It would be appreciated if you would give this request your close attention so that we can continue to operate as before with respect to thorium ores and ore concentrates.

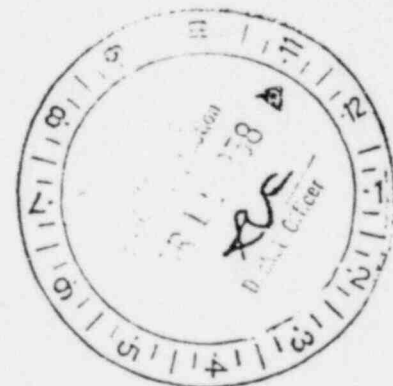

Please let me know if there is any further information you require of us. Thank you for your cooperation.

Cordially yours,
