Washington 25, D. C.

Dear Mr. Delaney:

Re: Source Material License No. R-196.

We would like to renew the referenced Source Material License, and, to this end, have filled out and attach three copies of your application form AEC-2.

It would be appreciated if you would give this request your close attention so that we can continue to operate as heretofore with reference to thorium ores and ore concentrates.

Cordially yours,

David P. Barrett
