Dear Sir:

Please give a 90-day extension of the comment period  
for the Louisiana Energy Services DEIS.

I was raised in Baton Rouge, Louisiana, not too far from  
Claiborne Parish. I know what a terrible impact toxic wastes  
have had on people in the southern part of Louisiana and how  
concerned they are about any possible additional problems.

Please let me know what you decide to do about an  
extension of time for the comment period.

Yours truly,

*Esther S. Webb.*
