SUBJECT: Management Meeting

Dear Mr. Couch:

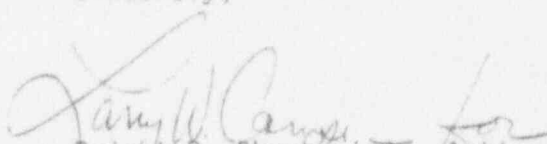

This is to confirm the telephone conversation on January 20, 1994, between you, representing Panhandle N.D.T. & Inspection, Inc., and Mr. William Fisher and Ms. Christi Hernandez of this office. We understand that at 9 a.m. on February 15, 1994, you will meet with us in the NRC Region IV office to discuss your December 30, 1993, request for authorization to work under reciprocity in NRC jurisdiction. As Mr. Fisher indicated, you should be prepared to discuss the following:

1. What steps Panhandle has taken to ensure that survey instruments will be calibrated at the required interval.
2. What steps Panhandle has taken to ensure that alarm ratemeters will be worn by radiographers during all radiographic procedures.
3. How Panhandle will ensure that its activities will be conducted in compliance with all NRC regulations.
4. Whether Panhandle personnel will be appropriately aware of the NRC requirements with which they must comply.
5. In view of NRC's past experience with Panhandle, how you, as its president, can assure us that NRC should have confidence in Panhandle in the future.

If your understanding of the nature of the meeting is different from the above, please contact Mr. Fisher immediately at (817) 860-8215.

We look forward to meeting with you on February 15.

Sincerely,

  
Dwight D. Chamberlain, Acting Director
