

**ENVIROCARE** OF UTAH, INC.  
THE SAFE ALTERNATIVE

January 21, 1994

40-8989

Mr. Joseph J. Holonich, Acting Chief  
Uranium Recovery Branch  
United States Nuclear Regulatory Commission  
Washington, D.C. 20555

Subject: Submittal of Plans and Procedures  
License No. SMC-1559

Dear Mr. Holonich:

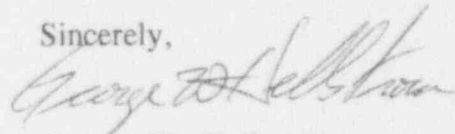

Pursuant to Envirocare of Utah, Inc.'s ("Envirocare") 11e.(2) Byproduct Material License, License No. SMC-1559, Envirocare submits 5 copies each of the following:

1. "Construction QA/QC Plan for 11e.(2) Facility" revised January 21, 1994, in accordance with License Condition 9.7 c).

Envirocare requests that the NRC review and approve these documents as provided by the license.

Envirocare will submit the surety, required pursuant to License Condition 9.6 b) under separate cover. If you have any questions regarding this submittal please contact the undersigned at 801-532-0920.

Sincerely,

  
George W. Hellstrom
