IN RESPONSE REFER
TO FOIA-82-119

Douglas E. Lee, Ph.D
75-A-1894
Drawer B
Stormville, NY 12582

Dear Dr. Lee:

This is in response to your letter dated March 1, 1982, in which you requested, pursuant to the Freedom of Information Act, four categories of information concerning Themis P. Speis' memorandum dated January 28, 1982.

In response to category 1 of your letter, Appendix A provides the full name of the individual or organization and, if an individual, his title. The mailing address is U.S. Nuclear Regulatory Commission, Washington, D.C. 20555.

In response to category 2 of your letter, Appendix B provides an explanation of the "letter codes." In response to item "a," enclosed is a copy of TMI Action Plan Item I.C.1.

In response to category 3 of your letter, Appendix C provides the information requested. However, with respect to item "b," we are unable to provide any information. With respect to item "e," enclosed is a copy of the document.

In response to category 4 of your letter, a listing of the "technical questions" does not exist. When the investigation report is issued, it will contain the questions and replies. Your name has been added to the mailing list maintained by Region I so that when the report is issued you will receive a copy.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration
