Mr. Matt Torri
1611 Jefferson Ave.
Woodlyn, PA 19094

Dear Mr. Torri:

This letter is in response to a recent request to provide some cost information on the transportation and disposal of radioactive wastes. I have enclosed some information which I hope you will find useful. Included is a compilation of estimated costs for developing waste disposal facilities in the US, two rate schedules for costs for disposing of wastes at operating facilities in the US, and a list of waste brokers (who would be able to provide costs for transportation of waste).

If you have any other questions regarding this information please feel free to contact me.

Sincerely,
