Mr. R. Dale Smith, Chief
Low-Level Waste Licensing Branch
Division of Waste Management
Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Smith:

Thank you for providing me with a copy of the Commission's position regarding low-level waste licensing as it impacts site suitability and site selection. We have a continuing interest in the disposal of low-level radioactive wastes and anticipate working directly with your branch when our current contract with the NRC is activated.

Best regards for the New Year.

Very truly yours,
