Board Notification 94-002

MEMORANDUM FOR: Atomic Safety and Licensing Board
and All Interested Parties

FROM: John E. Glenn, Chief
Medical, Academic, and Commercial
Use Safety Branch
Division of Industrial and
Medical Nuclear Safety, NMSS

SUBJECT: NEW INFORMATION POTENTIALLY RELEVANT TO LICENSING BOARD
PROCEEDING IN THE MATTER OF ONCOLOGY SERVICES CORPORATION

In conformance with the Commission's policy on Board notifications, this memorandum calls attention to the staff's actions with respect to Oncology Services Corporation (OSC) during the period between the previous Board Notification (93-21) through December 23, 1993 and forwards any communications between Region I and OSC related to relaxation of the Order. During this period OSC has submitted several additional letters responding to requests for information from Region I (Enclosures 1, 2, and 4) for relaxation of the Order. Region I responded with several letters (Enclosures 3 and 5) in response to these relaxation requests requesting further clarification and information from the licensee, which the licensee has provided in part.

from the licensee (Enclosure 3). OSC responded by letter dated December 7, 1993, stating that they were "requesting full and permanent relaxation of its entire license", and provided information in response to the November 4, 1993, letter from Region I (Enclosure 4). Region I, by letter dated December 23, 1993 (Enclosure 5), replied to the December 7, 1993, letter from OSC by requesting further information and clarification on certain issues relating to the relaxation request.
