 Division of Fuel Cycle Safety and
 Safeguards, U.S. Nuclear Regulatory
 Commission,
 Washington, D.C. 20555

Dear Sir

Please dont let them put
 a nuclear Enrichment Branch
 in Lisbon, La and Homer, La.

I have a home there, and 4 hundred
 forty acres ^{of land} and we have oil
 wells and gas. we dont know
 how this will affect the water and
 Gas also our health.

Thanks
