U. S. Nuclear Regulatory Commission  
Washington, D. C. 20555Subject: Application of Texas Utilities Generating  
Company, et al. for an Operating License  
for Comanche Peak Steam Electric Station  
Units #1 and #2 (CPSES)Supplementary Information to CASE's 8/12/82  
Motion for Protective Order by CASE

Dear Administrative Judges:

In our 8/12/82 subject Motion requesting protection for Mrs. Darlene Stiner from discrimination, harrassment, and possible loss of her job, we indicated that we were unsure exactly what NRC regulation applied in this instance, and that we were therefore making the Motion under 10 CFR 2.740(c) as being the closest regulation we have thus far found to what we wish to the Board to do.

We now have other citations which we wish to call to the Board's attention which apply more directly to the matter at hand:

10 CFR 19.16(c)  
Public Law 5851. Employee protection  
FEDERAL REGISTER, Vol. 47, No. 135, Wednesday, July 14, 1982, 30452-30459,  
Final Rule which becomes effective October 12, 1982, revises and explains  
the intent of the regulations for Protection of Employees Who Provide  
Information; revises 10 CFR 19.16(c)

Respectfully submitted,

CASE (Citizens Association for Sound Energy)

*Juanita Ellis*  
(Mrs.) Juanita Ellis  
President
