MEMORANDUM FOR: LeMoine J. Cunningham, Chief, PRPB, DRSS, NRR

FROM: Cynthia D. Pederson, Chief, Reactor Support Programs Branch,
DRSS, RIII

SUBJECT: REVIEW OF TEMPORARY INSTRUCTION, "IMPLEMENTATION OF THE
REVISED 10 CFR PART 20"

Region III has completed its review of the subject proposed Temporary Instruction (TI). As you are aware, two members of your staff accompanied us on an inspection at the Clinton Power Station during which a draft version of the TI was used. We feel the inspection went well and conclude that the TI is a very well thought out product. Our input has already been incorporated into the TI and we have no additional comments at this time.
