Subject: **Docket No. 70-734; License No. SNM-696: Reply to a Notice of Violations**

Reference: C. N. (Mike) Smith, Letter to General Atomics, ATTN: Mr. James R. Edwards,
"Inspection Report No. 70-734/93-201," dated January 4, 1994

Dear Sirs:

Enclosed is General Atomics' (GA's) response to the Notice of Violations issued on January 4, 1994 (Reference). This response was prepared pursuant to the provisions of 10 CFR 2.201. GA trusts you will find its corrective measures to be appropriate and satisfactory.

Please note that, the enclosed responses also addresses actions for improving management controls and oversight of GA's licensed program. If you should have any questions concerning the response, please contact me at (619) 455-2823.

Very truly yours,

Keith E. Asmussen
