Docket No. 030-02788

Dear Mr. Harman:

SUBJECT: NOTICE OF VIOLATION DATED NOVEMBER 26, 1993

This acknowledges receipt of your letter dated December 14, 1993, in response to our letter dated November 26, 1993, transmitting a Notice of Violation.

We have reviewed your response requesting that Item 1 in the Notice of Violation be rescinded. Since you have requested that the Office of General Counsel (OGC) give an official interpretation regarding the inclusion of a treadmill room to your NRC license, we will hold this item in abeyance until OGC has provided its interpretation.

We have reviewed your corrective action for Item 2, which appears to be adequate, and have no further questions at this time. Your corrective action will be examined during a future inspection.

Sincerely,

B. J. Holt, Chief
Nuclear Materials Inspection
