Docket No. 40-8912

Michael P. Grace II  
P.O. Box 731  
Venice, California 90291

Dear Mr. Grace:

We are in receipt of your letter dated January 27, 1994, regarding the three uranium sites in New Mexico for which we consider you the license holder. You point out in your letter that you have not been involved with the sites since 1972. I believe that it would be beneficial to both you and the NRC if we were to further discuss the issues in a telephone conference call so that we can more fully understand your position, and we explain ours. I therefore request that you call me at (303) 231-5800 prior to February 15, 1994, so that we can both agree on a date and time for the call and we can arrange for teleconference facilities.

Sincerely,

A handwritten signature in black ink, appearing to read "Ramon E. Hall".
