Re: Lakewood Hospital, aka
Lakewood Hospital Foundation, Inc.

Dear Ms. Smith:

I am requesting copies of all items on file with the Director of Office of Inspection and Enforcement, such as all correspondence, license history, investigation reports, chronology of events in the years of 1956 and 1957 and also individuals and outside organizations contacted by NRC. Any telephone checks and goals of Radiotherapy.

I would particularly like to be sure of receiving any records pertaining to radiologist Thomas W. Knickerbocker, M.D. and John J. Caughan, M.D. and names of all technicians, also the make, model and serial numbers of all the radiology equipment in use during this entire time.

If there is any charge for obtaining records, please advise and I will expedite payment.

Your prompt attention to this request will be greatly appreciated.

Sincerely,

Emma Rita Mihal
