

CHAIRMAN

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

July 30, 1982

MEMORANDUM FOR: William J. Dircks
Executive Director for Operations

FROM: Nunzio J. Palladino *NJP*

SUBJECT: CONTRACT TO DETERMINE AVAILABILITY OF
MEDICAL SERVICES (RS-NRR-82-128)

I understand from informal staff contacts that a hold has been placed on this contract, pending resolution of several questions, including those raised by Commissioner Ahearne in his July 9, 1982 memo.

I would like to see the answers before the contract is issued. In addition, I would like to know the proposed amount, and why NRR is the sponsor rather than IE or RES.
