 Pacific Nuclear letter to J. Jankovich, dated November 12, 1993

Dear Mr. Temus:

The U.S Nuclear Regulatory Commission has been informed of your recent acquisition and the impact on your Quality Assurance (QA) Program (Approval No. 0192). Based on the information provided in your letters, your QA Program should be updated to reflect all of the organizational and operational changes. Please submit your request for an amendment to your QA Program along with the required \$280.00 amendment fee.

If you have any further questions regarding your QA program, please contact Thomas Matula of my staff at (301) 504-2437.

Sincerely,

Original Signed by
