Radiation Safety Officer
Washington University Medical Center
510 South Kingshighway Boulevard
St. Louis, MO 63110

Dear Dr. Eichling:

Thank you for your letter dated January 6, 1994 in which you informed us that you have withdrawn from clinical use and are returning to Nucletron Corporation two MicroSelectron/LDR remote afterloaders (serial numbers 3030 and 3031) in partial exchange for a Selectron/LDR-3 remote afterloader.

We concur with your assessment that you may acquire the additional Selectron/LDR-3 (Model SEL-103) without further amendment to your byproduct materials license No. 24-00167-11.

If you have any questions or require clarification of any of the above stated information, contact us at (708) 829-9832.

Sincerely,

John A. Grobe, Chief
Nuclear Materials Inspection
