RE: In the Matter of Consumers Power Company (Big
Rock Point Nuclear Power Plant), Docket No.
50-155-OLA (Spent Fuel Pool Modification)

Gentlemen:

I am enclosing Consumers Power Company's Motion to Supplement Findings of Fact and Conclusions of Law Out of Time. The Affidavit of Mr. Roger W. Sinderman is provided in support of the Motion.

Mr. Sinderman's Affidavit also provides the information promised in my letter of July 2, 1982, concerning the reorganization of certain material in the Big Rock Point public information pamphlet, Consumers Power Company Exhibit No. 5. Mr. Sinderman explains, in paragraphs 2 and 3 of his Affidavit, the changes that will be made to the pamphlet in order to place "emergency" information at the beginning of the document.

Mr. Sinderman's proposal is fully responsive to the suggestions made by the Licensing Board and Ms. Christa-Maria during the June 28, 1982 telephone conference call. Consumers Power Company is committed to make these changes and, subject to the Licensing Board's further consideration, the Company considers the matter closed.

Sincerely,

Joseph Gallo
