To Whom It May Concern:

National Certified Testing Laboratories located at 1420 Gemini Blvd. in Orlando, Florida sold off it's N.D.T. department. As of July 15, 1992, William Blakely of Certified Testing Labs located at 7252 Narcoosee Road in Orlando, Florida took possession of our equipment including our source, source camera and X-ray tube.

N.C.T.L. no longer conducts radiographic operations.

If you have any further questions, please contact myself or William Blakely at the phone numbers below.

Sincerely,

NATIONAL CERTIFIED TESTING
LABORATORIES, INC.
