As you know, the amended Act permits you to waive fees if you find the release of the information to be "Primarily benefitting the public."

The Conservative Caucus Research, Analysis, and Education Foundation is a non-profit, non-partisan, research and education foundation.

The information requested would not be used for any commercial purpose but rather would be made public and be used to analyze the various components of the Federal budget.

Since this request fits the category of "primarily benefitting the public", I therefore ask that you waive any fees.

I respectfully request that you supply me with those documents or segregatable portions thereof as soon as they are available, and ask that you not delay disclosure of those documents readily available even though there may be some other documents responsive to this request that are more difficult to locate.

I understand that under the Act I can expect to receive a reply within ten working days.

I also understand that permitting any submission of requested information after ten working days will not constitute a waiver of my rights under the Freedom of Information Act.

Please indicate in your reply the CFDA program number(s) to which the printout corresponds. Thank you very much for your assistance and consideration.

Sincerely,

Michele Rossi
