Re: Request for information - Freedom of Information Act

Dear Mr. Rehm:

Radiation Protection Services, Inc. (RPS) requests certain information from the NRC concerning the number of licenses issued in Region I for certain categories of licenses as defined in Title 10, Code of Federal Regulations, Part 170, Section 170.31. We request this information to determine the needs of industrial users of radioactive materials within Region I for health physics consulting services.

We request a computer printout of the names and addresses of licensees within Region I, issued NRC licenses to possess radioactive materials defined by 10 CFR 170.31 as:

- Category 3C and 3D - industrial radiography licenses
- Category 3E and 3F - gamma irradiator licenses
- Category 5 - well logging and well survey licenses
- Category 6 - nuclear laundry licenses
- Category 8 - civil defense licenses

Please forward this information to my attention at:

Radiation Protection Services, Inc.
