Gentlemen:

In our letter of July 14, 1982, (1CAN078203) we submitted proposed ANO-1 Technical Specifications in response to your letter of February 12, 1982, (0CNA028210). Per conversations with Mr. Guy Vissing of your staff, AP&L is submitting changes to the proposed Technical Specifications to have the ANO-1 Technical Specifications more closely resemble the ANO-2 Technical Specifications.

No fee is remitted as this Technical Specification is still under review.

Very Truly Yours,
