To: All Recipients of Volume V of the Multi-Purpose (MPC)  
Implementation Program Conceptual Design Phase Report

From: Joe B. Stringer (704) 382-3083 

Attached is Revision 1 of Volume V - MPC Supporting Studies and Reports.  
To update you manual, follow these instructions:

- 1) Replace Revision 0 of "Concept of Operations for the Multi-Purpose Canister System" (DI#: A00000000-01717-6700-00001) with Revision 1 dated 12/10/93 and discard Revision 0.
- 2) Replace Revision 0 of "Operational Throughput for the Multi-Purpose Canister System" (DI#: A00000000-01717-2200-00001) with Revision 1 dated 12/10/93 and discard Revision 0.
- 3) Replace Revision 0 of "At-Reactor Dry Storage Issues" (DI#: E00000000-01717-2200-00002) with Revision 1 dated 12/10/93 and discard Revision 0.
- 4) Place Revision 0 of "Programmatic Risk and Contingency Analysis for the Multi-Purpose Canister System" (DI#: A00000000-01717-0200-00000) dated 12/10/93, Revision 0 of "Life Cycle Cost Comparison for the Multi-Purpose Canister System" (DI#: A00000000-01717-0200-00008) dated 12/10/93, and Revision 0 of "Evaluation of Alternative Cask/Canister Systems" (DI#: A00000000-01717-6700-00004) dated 1/17/94 into the back of Volume V.
