Dear:

This letter provides the agenda for the Emergency Response Workshop, previously discussed in our letter of January 28, 1994. Additionally, we request that you provide us with a listing of workshop attendees from your organization in order to facilitate the preparation of name tags and other logistical tasks related to the conduct of the workshop. This listing can be faxed to the attention of Ms. Ann Mattila at (817)860-8188. We look forward to this workshop and the opportunity to meet with members of your staff on this important topic.

Sincerely,
