NOTICE OF VIOLATION

Muskegon General Hospital

License No. 21-17971-01

As a result of the inspection conducted on August 6, 1982, and in accordance with the NRC Enforcement Policy, 47 FR 9987 (March 9, 1982), the following violations were identified:

1. 10 CFR 35.14(e)(1)(i) requires each licensee who possesses sealed sources as calibration or reference sources shall perform tests for leakage and/or contamination at intervals not to exceed six months.

Contrary to this requirement, you failed to perform leak tests on your 203 microcurie cesium-137 and 216 microcurie barium-133 sealed sources since the date of license issuance, June 7, 1978.

This is a Severity Level IV violation (Supplement VI).

2. License Condition No. 16 requires that licensed material be possessed and used in accordance with the statements, representations, and procedures contained in certain referenced applications and letters.

Item No. 8 of the referenced application dated January 17, 1978, states that the Medical Isotope Committee will meet at least quarterly for the purpose of reviewing safety aspects of current programs.

Contrary to this requirement, you failed to hold quarterly meetings. Specifically, the Medical Isotope Committee met twice in 1979, three times in 1980, and no meetings were held from July 30, 1980, to the date of the inspection, August 6, 1982.

This is a Severity Level V violation (Supplement VI).

3. License Condition No. 16 requires that licensed material be possessed and used in accordance with the statements, representations, and procedures contained in certain referenced applications and letters.

Item No. 11 of the referenced application dated January 17, 1978, states that the manufacturer will perform linearity tests on your dose calibrator.

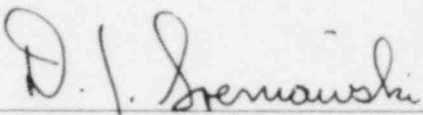

AUG 26 1982

Contrary to this requirement, you performed linearity tests using the Calicheck kit, a procedure not authorized under your NRC license.

This is a Severity Level V violation (Supplement VI).

Pursuant to the provisions of 10 CFR 2.201, you are required to submit to this office within thirty days of the date of this Notice a written statement or explanation in reply, including for each item of noncompliance: (1) corrective action taken and the results achieved; (2) corrective action to be taken to avoid further noncompliance; and (3) the date when full compliance will be achieved. Consideration may be given to extending your response time for good cause shown.
